Ariba will make your company profile, which includes the basic company information, available for new business opportunities to other companies. If you want to hide your company profile, you can do so anytime by editing the profile visibility settings on the Company Profile page after you have finished your registration.

By clicking the Create account and continue button, you expressly acknowledge and give consent to Ariba for your data entered into this system to be transferred outside the European Union, Russian Federation or other jurisdiction where you are located to Ariba and the computer systems on which the Ariba services are hosted (located in various data centers globally), in accordance with the Ariba Privacy Statement, the Terms of Use, and applicable law.

You have the right to access and modify your personal data from within the application, by contacting the Ariba administrator within your organization or Ariba, Inc. This consent shall be in effect from the moment it has been granted and may be revoked by prior written notice to Ariba. If you are a Russian citizen residing within the Russian Federation, You also expressly confirm that any of your personal data entered or modified in the system has previously been captured by your organization in a separate data repository residing within the Russian federation.

Welcome to the Ariba Commerce Cloud

Your registration process on the Ariba Commerce Cloud for CAIXABANK GROUP SUPPLIER is now complete.

Your organization's account ID: AN01584314998-T
Your username:

As the account administrator for this account, make sure to keep your username and password in a secure place. Do not share this information.

If you registered after receiving an invitation from an Ariba On Demand Sourcing buyer, you can now access and participate in the buyer's sourcing events. The Seller Collaboration Console provides a centralized location for you to manage all your Ariba On Demand Sourcing events and buyer relationships.

Ariba On Demand Sourcing buyers might request that you complete additional profile information as part of their Supplier Profile Questionnaire. When you access customer requested fields for a specific buyer, you will see a pop-up page with that buyer's name; that page contains the buyer's customer requested fields.

You can immediately perform administrative and configuration tasks such as creating users and completing your company profile. If account administration is not part of your job responsibility, you can transfer the administrator role at any time to another person in your organization whose responsibilities are more in line with account administration.

Good to Know:

Your Ariba Commerce Cloud account provides a central access point to the seller-facing capabilities of the following Ariba solutions:

You will receive a confirmation email. You have succesfully gone through the first step of the process.

Please note, that Ariba will automaticaly detect that your company have already an Ariba Account. In this case you will have several options:

- contact the resposible of this account

- create a new account.

All the information, data and documentation provided by the Supplier will be treated as confidential, reserved and protected and will be exclusively used with the purpose and for the compliance of the foreseen obligations in this Suppliers Portal.

Personal data that might have been provided by the Supplier through the Suppliers Portal will be treated by the correspondent Grupo CaixaBank entity with the purpose to manage the registration and participation in the Suppliers Portal, as well as, in its case, to comply with the obligatory applicable norms, as the condition of Supplier for Grupo CaixaBank is in effect. Once the relation with Grupo CaixaBank reaches its end, data shall be preserved for the sole purpose to comply with the legally required obligations and for the formulation, exercise or defense of claims, during the limitation period of the derived actions of the previously referred contractual relation. Data shall be shared among Grupo CaixaBank entities for the aforementioned purposes.

The data subject shall exercise its rights, according to the application norm, through the provided link below (enlace ingles), as well as reach out to the Data Protection Delegate of Grupo CaixaBank at (enlace ingles).Furthermore, the data subject shall redirect the derived claims from its data treatment to the competent authorities (in Spain, the Spanish Agency for Data Protection www.aepd.es).
